

## The Democratic Neighbors of the 38<sup>th</sup> Assembly District Annual Report for 2008

Dear DN38ers,

Our organization has done a wonderful job during this last year fulfilling our mission to be the “feet of the 38th AD.” We walked/phoned in all five elections since last November 2007:

- **November 2007 – Newhall Water Board**
- **February 2008 – Presidential Primary**
- **April 2008 – Santa Clarita City Council**
- **June 2008 – State Primary**
- **November 2008 – General Election**

We walked thousands of homes and made thousands of phone calls. We put up signs and registered new voters. Sometimes 35 people were walking, sometimes only three but we kept going.

Even though this is an off year there will still be GOTV activities needed for School/Water Board and LA City Council elections. Our primary goal this year will be to help to establish Democratic clubs up the 210 corridor. We want to work with Democrats in the 38th up there so they can begin to have more of a presence in local, state and national politics. Please let me know if you will be able to help us do this.

We need your help – your feet, your phone and your finances! Some of our members do all three and some just support us financially. We are grateful for your monetary support as well as your volunteer time. Enclosed is a reminder to pay your 2009 dues of \$10.

Also, mark your calendar for January 10 to attend the 38th AD Caucus where we will be electing delegates to represent all the Democrats in the 38th AD at the State Conventions (2009-2010).

We will elect officers at our DN38 January 28, 2008 meeting at Mulligans.

Again, thank you for all you do to help us “turn the 38th Blue.” (We’re getting closer!)  
Sincerely,

Carole Lutness, Chair
