

Come walk with us!

Democratic Neighbors of the 38th AD

-- the feet of the Democratic Party in the 38th AD..."

Looking for a way you can use your feet for exercise while you exercise your patriotism and do a good deed at the same time for local, state and national Democratic candidates and important issues.

We will train you. We will give you materials and we will walk with you. You do not walk alone.

All you need is a positive attitude, an open mind, a pair of comfortable shoes and a little time. We will teach you how to talk to voters about candidates and issues, to register voters and to use your passion to change our Assembly District, the State and the country.
