

DN 38th AD (GOTV) WHO ARE WE?

The Democratic Neighbors of the 38th Assembly District (DN38) is a club that is affiliated with The Democratic Club of the Santa Clarita Valley (SCV Dems), Democratic Alliance for Action (DAA), the Santa Clarita Valley Young Democrats (SCVYD), the San Fernando Valley Democratic Party (SFVDP, The Los Angeles County Central Committee, California State Democratic Party (CSDP) and the Democratic National Party (DNP).

The club is called the legs of all of the above groups. “Legs” entail being responsible for canvassing, which is going door-to-door to homes and groups in the valley and informing residents of the issues and the candidates. The club also educates members of the public on ethical political practices in the community, “clean money”, integrity, and transparency in government. Members of the club are stellar phone bankers. Phonebanking is calling, conducting surveys, discussing the candidates and asking for opinions on resolutions and propositions. Members are often seen at the malls and in front of grocery stores with petitions to sign. Their job is to stay on top of the positive, negative and neutral stances on issues. The club consists of approximately 45 professional individuals who reside in the Santa Clarita Valley and the San Fernando Valley with experience as public servants, advocates for the Democratic party, and watchdogs committed to the spirit of serving the Santa Clarita Valley, greater area community and providing excellent voter services that include quality, value and reliability. After multi-tasking the above skills, members drop off literature, post candidate signs and explain the differences in the candidates and the propositions as well as build membership of the local clubs.

The club also educates members of the public on ethical political practices in the community, “clean money”, integrity, and transparency in government.
