SCV City Council Election – April

Carole will connect Mike Kulka with Kevin Buck and Tim Myers to advocate for SCV City Council elections to be held with June or November primaries so there is increased voter turnout. Mike didn't commit because he isn't a resident of the City. He lives in Stevenson Ranch.

Voter Registration: set schedule for next few months at Sylmar Park

Carole is looking for someone to take the lead. Steve, Kristin, and Dorri will do voter registration on May 22. Time to be determined. Kristin will call Sylmar Park to schedule.

We need 2 copies of each voter registration form (1 for DAA and 1 for CDP)

Voter registration bounty goes to DAA.

June Primary – GOTV for Democratic candidates and propositions.

Carole's suggestion: People walk their own neighborhoods in support of Democratic slate.

May 15 and 29 – phone bank at Carole's house in support of Proposition 15.

Carole will call Chad Jones (DPSFV) for walk lists.

Carole asked people to sign up for Proposition 15 tabling at the Valencia Mall. Steve, Todd, and Minerva volunteered.
